

Traffic Lights Behaviour

There are three sessions each day: before break, after break and after lunch.

The lights

Everyone starts each session in **green**.

Amber behaviour: actions that disrupt learning.

Red behaviour: unpleasant actions that hurt.

How it works

Your teacher will warn you **once** about **amber** behaviour. She will move your name to **amber** if you are disruptive a **second** time.

Your name will be moved to **red** if you are disruptive a **third** time, or if you act in a **red** way.

If your name is in **red**, you will: **lose five minutes** of the next break; and write what you did in the **black book**. The KS2 Head Teacher will email your parents.

If you stay in **green** for a whole week, you will receive a **token** on Friday.
